COFFEE AN' *Dec 1979*  
322 Twelfth  
Astoria

Coffee An', a 14 stool lunch counter right in the heart of downtown Astoria, has been at the same location the entire time.

Fleming Wilson purchased the Coffee An' in 1947 and has operated the small cafe in the same friendly manner for the past 31 years.

Whether it's just a good, hot cup of coffee or a full meal, you are always welcome. Coffee An' opens for breakfast at 6:30 a.m. and serves the last meal at 5:00 p.m. A house specialty is thin, thin Finnish pancakes — haven't tried them? Better get in there soon!!

If you need someone to talk to or want to know what's going on in the sports world, stop in and see Flem.
